Dear Ms Farr-David,

As the project manager of the project CompLeap, I hereby send you the Amendment documents to update the Grant Agreement No. SI2.488704 (ECOKT2016-1) and its Annexes. Updates are based on the modified project plan which was sent to the Commission on February 28th 2019. The final versions are dated: Annex I – March 19th 2019, Annex III: March 21st 2019. Modified project plan is based on the mid-term review feedback which instructed the Consortium to deliver such plan because of some delay in the use of resources and prototype development in the project. Like the modified project plan suggested these challenges will be tackled by budget transfers between National Agency for Education (EDUFI) to University of Oulu (Uoulu), additional subcontracting and new additional tasks like Europass case study.

Yours sincerely,

Antti Laitinen
