

Dimension 3 – Identify desired behaviour changes

Write down the changes that you would like learning analytics to bring to your institutional environment or particular stakeholders. Why are these changes important to your institution?

ACTION	
---------------	--

Are there any existing or potential challenges that might happen when action is taken to achieve the desired changes?

CHALLENGE	
------------------	--

Based on the identified actions and challenges, Are there any questions that need to be answered in a policy? Have you got answers to them?
