

## Dimension 1 – Map political context

Think about the political context of your institution. Are there any internal or external drivers that surface a need for learning analytics?

<b>ACTION</b>	
---------------	--

Think about the existing or potential challenges that might exist in this political context.

<b>CHALLENGE</b>	
------------------	--

Based on the identified actions and challenges, Are there any questions that need to be answered in a policy? Have you got answers to them?

<b>POLICY</b>
