

## Dimension 1 – Map political context

Think about the political context of your institution. Are there any internal or external drivers that surface a need for learning analytics?

|               |  |
|---------------|--|
| <b>ACTION</b> |  |
|---------------|--|

Think about the existing or potential challenges that might exist in this political context.

|                  |  |
|------------------|--|
| <b>CHALLENGE</b> |  |
|------------------|--|

Based on the identified actions and challenges, Are there any questions that need to be answered in a policy? Have you got answers to them?

|               |  |
