## Meeting notes:

1. Discussion based on the meeting notes of the latest meeting
  - a. This was addressed earlier in the weekly meeting.
2. Website updates
  - a. Kiira has made some updates and [Kiira Noponen](#) will also delete the link in the end of the web page which leads to the old mock-up demo.
  - b. There is no separate section in the menu for framework architecture. [Vera Mol Monique Leegte](#) will send an email to Ari & Antti at CSC and request for content for that.
3. New blogs or articles
  - a. all texts to be published on the web page
    - i. Framework/ Ari - The blog is ready and out. [Anu Märkälä](#) will tweet about it this week.
    - ii. Compleap's Data Declaration/ Egle?
    - iii. Other blogs? It was suggested that [Kiira Noponen](#) and Topias would co-write a new blog on the piloting in the beginning of June.
    - iv. Translation of Antti's previous texts in English? - Discussion whether the texts should be translated or not. The consensus was that no articles in Finnish should be published on Compleap's webpage. [Anu Märkälä](#) to translate + proof reading by EDUFI perhaps.
4. Measurements of the workshops and webinars
  - a. EDUFI has taken notes on the demo sessions: <https://wiki.eduuni.fi/x/oAAAtBQ>
  - b. In addition, number of participants in dissemination events and other events should be documented. Vera has added a new column "FFF" in the events calendar under WP 5 and wishes to get figures there. [Kiira Noponen Annica Moore](#) [Anu Märkälä](#) + all to up-date these.
5. Workshops/events in the Netherlands and Germany, Cologne 14.5.2019
  - a. SBB does not seem interested to take part in co-operation because of intense competition and politicization around lifelong learning in Netherlands.
6. Europass case study
  - a. workshop in Budapest in the first week of June
    - i. To be decided who will participate in the workshop. (at least Monique and Erik from DUO, Eva from EDUFI + others?)
7. The meeting was closed 15:10 ? and the rest of the topics will be discussed later.
8. ~~Closing seminar together with WP4?~~
  - a. ~~Closing seminar will be arranged in Skills Week in October 14-18 (Tue, Wed or Thu but not on Mon nor Fri because of traveling).~~
  - b. ~~Other big events in autumn:-~~
    - i. ~~EALF September 24-27th <https://www.eaio.org/helsinki.html> Europass+ EMREX in the same booth. DUO will be there as well.~~
    - ii. ~~Dare to learn September 19-20~~
    - iii. ~~Skills week October 14-18~~
    - iv. ~~Tarja will check how it is with the events in Jyväskylä~~
