

Graduation

Graduation is handled according to the instructions given on oulu.fi -pages. [Read instructions about graduation on oulu.fi For students -website.](#)

The graduation application is done directly in Peppi, when you are about to graduate. Application is filled through the study right that the student wishes to graduate from, link to the application can be found the top bar.

Please, notice, that you can also apply [complementary study right](#) (when applying masters degree) and register in graduation ceremony in Peppi's graduation services. [Read your faculty's instructions carefully.](#) The number of guests is limited.

Please note that the application has two phases. The application submitted by student is first checked by Academic Affairs after which it is returned to the student for review and final submittance. Please check the For Students website for information on graduation dates and instructions on when the graduation application must be submitted.
