

Crediting bank

In crediting bank you can check which kind of recognition of learning applications have been approved in different degree programmes. Student's personal information will not be saved.

You'll find the crediting bank by moving your cursor on the "Recognition of learning" button on the navigation menu. Click "Crediting bank".

You can search for approved recognitions with different search criteria. Choose search criteria and press **search** -button.

Studies on the application

If you are applying for recognition of learning to a study, which has been approved as recognition of learning before, there is a file icon next to the name of you study on your applications.

724102P Management and Organizations

5 ECTS

When you click the file icon, a new window opens. On this window you will see all the recognitions that have been approved before.
