## Enrolling to exam via PSP

### My exams

- You can see all the available exams related to your PSP on PSP page Exams. **(Picture 1)**
- Click **Enroll** to enroll in exam.

### Enrollments

- Here you have all the exams that you have already registered in. **(Picture 1)** You can also look for your exam history by clicking the **History**-button.
- Next to the registration button there is a colorful icon which shows the type of your registration. You can complete the exam if your registration is **accepted**.
- You will find out information about where the exam will take place after your registration has been accepted.
- You can cancel registration by clicking **Cancel**-button, if it is active.

**i** If you can not find the exam you are looking for on PSP's Exams-page, you can search for the exam by using Exam search (instructions below). On the PSP's Exams -page there is a straight link **All exams** to the Exam search page. **(Picture 1)**

## Enrolling to exam via Exam search

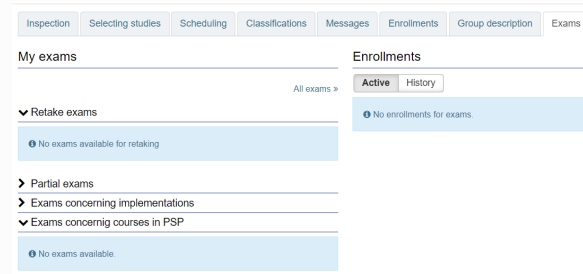

Using the exam search helps you to find such exams which are not given you straight on your PSP's Exams-page.

1. Open **Exams** on Peppi's navigation menu. **(Picture 2)**.
2. Search for exams by date, program, implementation, teacher, course or office.
3. Enroll in the exam by clicking the **Enroll** button. **(Picture 3)**

On the same view you can see all your earlier exam enrollments.

Cancel enrollment by clicking **Cancel**.
