

Application sent

After the reviewer has forwarded your application, the system automatically sends a notification about a new application to the approver. You can see the date the application was sent and the name of the approver in the graduation system.

Wait for the approver to process the graduation application.

When the application has been approved, you will get a notification from the graduation system by e-mail.

Congratulations - your degree application has been accepted!

YOUR CERTIFICATE IS NOT READY YET. You will receive a message in your personal email when the certificate has been signed. Please make sure that the contact information in Peppi is up to date. If the message does not appear, check also if the message redirected to the spam folder. The message contains instructions for downloading the certificate. Please note that you will no longer be able to access Peppi once your graduation details are in Peppi.
