

# Changing the sign-in method

How to change your current sign-in method to another

## Changing sign-in method ([Suomeksi](#))

1. Open your browser and remove cookies
  - a. Instructions: <https://www.wikihow.com/Clear-Your-Browser's-Cookies>
  - b. If you do not want to remove all cookies you can remove only those which contains Eduuni on their name
2. Go to <http://id.eduuni.fi/signup/>
3. Choose "Start Sign Up"

### Eduuni-ID Sign Up

You are required to sign up your **email address** to use the Eduuni services. Eduuni-ID is created when you sign up and confirm your own email address. The email address is your identity.

You can use your own existing credentials to sign in. The sign in method that you choose will be attached to the Eduuni-ID. Trusted sign in methods are:

- Organisation's own credentials, if your organisation is member of [Haka-](#), [Virtu](#) or [eduGAIN-](#) identity federations or your organisation uses Microsoft Office 365 (Azure AD) services.
- ORCID, B2ACCESS, MPASS – credentials.
- Facebook, Google, LinkedIn, Microsoft, Twitter or Yahoo! – credentials.

Eduuni-ID is valid for one year at the time and the email address has to be signed up again after that
