

## 6.4 Panel meetings

The panels meet at the House of Science and Letters (Tieteiden talo) three times during the first year of their term of office, when the task is to carry out a re-evaluation of levels 2 and 3. For the last three years of its term of office, the panels meet twice a year (in April-May and October-November). The panels may decide if they want to meet on site or remotely.

**Please note:** House of Science and Letters is under renovation until June 2022. During the renovation meetings will take place in Aalto Töölö (address Runeberginkatu 14.-16).
