

## 4. Making the evaluation

Make the evaluation either by clicking on the pinion icon on the left of the publication channel name in the list of journals or by shifting to the detailed view by clicking on the item.

### Pinion

Click the pinion icon and choose "Level rating by panelist" from the menu.

| JUFOID | LEVEL | PAN SGT | DEADLINE   |   | NAME  |
|--------|-------|---------|------------|---|---|
| 89936  |       |         | 01.02.2022 | ⚙ | Journal of physics : complexity   |
| 89885  |       |         | 01.02.2022 | ⚙ | Applied surface science advances  |
| 89939  |       |         | 01.02.2022 | ⚙ | JPhys energy  |
|        |       |         |            |   | <div>Level rating by panelist<br/>Assign to me<br/>Add to TOP 10 list<br/>Propose corrections to metadata</div> |

Make your evaluation in the opening pop-up window. Remember to save your evaluation when ready.
