Agenda >add<

Meeting notes (draft):

Previous week's

Week 3-7 DEC

- DUO: Concerns about piloting in the Netherlands?
- EDUFI/Suggestion: Piloting in the Netherlands/SBB: Could we pilot some of the modular services that Compleap is developing.
- A co-workshop with the Netherlands in defining what could be piloted (after SBB's steering committee JAN 2019)
- JAN2019 Webinar with German partner's too (Bezirksregierung Köln)

= Envolving 3 different countries to CompLeap piloting at the end

Feedback on Mid-Term seminar

- More collaboration with the audience / more interaction

Prototype session 5th of DEC with the Scouts Finland

Week 10-14 DEC

DG-Connect: Luxembourg a meeting with the dg-connect funded projects ([Antti Laitinen](#) participated)

- Epica e-portfolio for HE
- Future knowledge on future funding opportunities
